LOCAL NEWS

Mr. W. R. Trench, recently from Sinaluta, Sask., has bought a lot on Bernard Ave. between Mr. Lemon's and the property of Mr. C. Regener, and is commencing building operations.

Mr. J. W. Wilks caught a fine trout while fishing from Chaplin's rocks on Monday. The fish weighed 4 lbs. 8 oz. and measured 22 inches in length and 13 inches in girth at the thickest part of the body. It made a vigorous resistance and took about twenty minutes to land.

The cultivable area in this valley is of much greater extent than most people know. There may be seen in the office of the Central Okanagan Land & Orchard Co. some exceptionally fine samples of Early Rose potatoes grown about 800 feet above the level of Mission Valley, on Mr. M. Heron's upper lands. The potatoes were not planted until June, yet they are of unusual size and perfect except, as might be expected, for a little ripening.

The "Okanagan" made a special trip north late on Thursday night and brought Sir Thos. Shaughnessy and various other high "muck-a-nucks" of the C.P.R. down the lake on Friday. They gave Kelowna the go-by both trips, Summerland, where Sir Thomas owns a fruit ranche, being the only point visited. The return trip was made late the same evening. The "Aberdeen" took the passenger run, and the huge pile of potatoes stacked up on the wharf had to wait shipment until the officials had finished their picnic and business could resume its normal course. Truly, some of the "agony" put on by high officials of the C.P.R. might well be dispensed with when it interferes with the conducting of the Company's business.

An encouragingly large number of ladies attended the inauguration meeting on Saturday afternoon of the Ladies' Aid in connection with the Hospital. Mrs. F. A. Taylor was elected president; Mrs. W. H. Gaddes, vice-president; Mrs. C. C. Josselyn, secretary-treasurer, and Mrs. D. W. Crowley, corresponding secretary. It was arranged to hold a monthly meeting on the first Saturday of every month. Membership fee will be \$1 a year. The first work to be done is to get the linen made. Mrs. B. F. Boyce and Mrs. T. W. Stirling have each promised to furnish a private ward. The blinds for the Hospital have been given by Mr. Guy Lindsay. Ladies who wish to become members of the Aid before the next meeting should see Mrs. Josselyn. It will be held in Raymer's Hall at 3 o'clock on Saturday, Nov. 2nd, and it is hoped there will be a large attendance.

Okanagan College

SUMMERLAND, B.C.

A CHRISTIAN SCHOOL for young men and young women, situated amid surroundings beautiful and inspiring and in a community of exceptional strength. Thorough Commercial course. Special advantages for music. Competent instructors. Well appointed building, tastefully furnished, heated with hot water, provided with bath rooms and improved sanitary arrangements. Terms moderate.

COMMERCIAL DEPARTMENT

This department, it is expected, will provide facilities for work second to none in the province. Professor Aaron Perry, M.A., the organizer and late conductor of the Commercial Department of Victoria High School will have charge of this department in the college. The success that has attended Prof. Perry's efforts elsewhere guarantees the quality of the work to be done in this department.

PIANOFORTE DEPARTMENT

Miss Eunice Winifred Haines will conduct the work in pianoforte instruction. Miss Haines is a pupil of George Pratt Maxim of Boston, a graduate with honors from the pianoforte department of the School of Music of Acadia Seminary and winner in the competition for musical composition adjudged by Dr. Percy Goetschius of Boston, the specialist on Tone Relations. Miss Haines has had successful experience in teaching and comes highly recommended by Principal DeWolf of Acadia Seminary.

VOCAL DEPARTMENT

The work in Voice Culture will be made the charge of Miss Katharine Cleveland Davison, late of Boston, an experienced Teacher, Choir and Choral Class Director, and pupil of Professor Frank E. Morse of Boston and Madame Gertrude Franklin Salisbury of the International School of Music of Boston, Florence and Paris. For further information apply to the Principal, EVERETT W. SAWYER, M.A.

Mr. F. Boll left yesterday for Ontario, where he has been called in consequence of the sudden death of his father from heart disease a week ago.

Last week the "Aberdeen" took north the largest cargo on record as leaving Kelowna, totalling 192 tons of vegetables and fruit. Shipments this season have averaged 20 cars per week as against one car per day last year.

Mr. J. E. Allison, inspector of the Occidental Fire Assurance Co., of Wawanesa, Man., spent a few days here this week and will probably open an agency. His company is now for the first time extending its operations to British Columbia.

The Band gave a concert for an hour on Tuesday evening on the Bank of Montreal lot at the corner of Water St. and Bernard Ave., and it was much enjoyed by a large audience somewhat comfortably assembled on the adjacent sidewalks.

A football match was played on Saturday in the Park between a team from Okanagan Centre and a team from Kelowna. Although the visitors fought a plucky battle, they were evidently out of practice and they were defeated by 4 goals to 0. The return match will be played in a few days' time at the Centre.

A serious shooting affray occurred at Keremeos on Monday, and at last accounts the victim, John Neal, who had been shot through the abdomen by Clarence Hine, was unconscious and had only a slim chance of recovery. No further particulars could be learned. Chief Constable E. C. Simmons, of Vernon, went south on Tuesday's boat to investigate the affair.

Mr. Harry Fraser, formerly of the Courier staff, is now engaged with his brother in the publication of the Observer at Salmon Arm, the first number of which came to hand last week. It has an air of greater prosperity about it than characterized the Enderby Progress, which Messrs. Fraser Bros. had to give up owing to the lack of local support—a sad commentary on the progressive spirit of Enderby. We wish the new venture every success.

The local rifle range will be opened on Thursday, Oct. 31st, and it is hoped to have Mr. Price Ellison M.P.P. present to fire the first shot. A match will be shot at 200, 500 and 600 yards, seven shots at each range, between S. N. Cameroun, captain, and Mr. J. N. Cameroun, and Married, captain, by Mr. Thos. Allan. Firing will begin at 12.30 p.m. sharp in order to permit the completion of the match before dark. Capt. P. Ellison, of Work Point barracks, will be present to give advice and aid in inaugurating the range. Tea and coffee will be served to all visitors free of charge. Ladies are especially invited to attend.

At a meeting of the Kelowna Fruit Growers Association held on Saturday afternoon, at which fourteen members were present, the sum of \$25 was voted to the North-West Fruit Growers' Association in aid of the prizes to be given at the forthcoming convention of the Association at Vancouver for displays of fruit. It was resolved that the local society should take part in the competitions, and a committee was appointed consisting of Mr. T. G. Speer and Dr. Gaddes with power to add Mr. F. R. E. DeHart to their number, who was understood to be collecting fruit for exhibition at the convention. Mr. E. M. Carruthers tendered his resignation of the secretaryship owing to his approaching departure for England, and Mr. W. R. Pooley was appointed in his stead. Since the meeting, we understand, the committee have decided to leave the whole matter of exhibiting in Mr. DeHart's hands.

From the Far North

Due to the cosmopolitan nature of the population of Kelowna, the Courier enjoys a wide-spread circulation in distant places of the earth, and from far away Fairbanks in Alaska come a few words of appreciation from Mr. W. G. Hingston, which we hope we may be pardoned for reproducing in our columns. Apart from the reference to the Courier, the letter will be read with interest by Mr. Hingston's many friends in Kelowna who would be glad to see him back again.

"Enclosed please find one dollar subscription for your paper which I have been receiving regularly ever since I left Kelowna, and I must say it is like getting a letter from home to get the Courier. I don't think there is anyone who reads the Courier more carefully than I—advertisements and everything else.

"I am pleased to note the progress the City of Kelowna is making, and I expect by the time I get back I will have to have a guide to show me around. I am also pleased to see you have the band going again and on a good footing, as one of the best things to have in any town is a little music; it gives life to any town. There is a sort of a band here, but it doesn't amount to very much, to say the most. This is not much of a place for amusement; people seem too busy trying to catch the almighty dollars.

"Things in a business way are very dull here now, and have been ever since last spring on account of the strike. It put the camp on the hog, and if things are not settled before next spring, times will be worse than ever next summer. If they get to work, times will be good, for the yellow goods are here all right. The ground is very deep as a general thing, from 100 to 200 feet to bed rock. It costs about one thousand dollars to sink a working shaft about 150 feet deep and 7 feet square, so you see it takes money to make money here, and at that it is not always there when one gets to bed-rock.

"The camp is very orderly; a few holidays and occasionally a little shooting, but, take it all around, it is pretty good. There are four churches and about fifty saloons, any number of restaurants and hotels such as they are. The wireless telegraph station is nearing completion; they are putting up the mast now and expect to have messages flying through the air before winter sets in, which will not be long, for the leaves are all turning now.

"The water in the rivers is very low, which makes it bad for those who haven't got their winter stock of goods in.

"I hope you are all having a prosperous season. Kindly remember me to the boys around town and last, but not least, the girls—we must not forget the ladies; and again hoping this will find you all well and doing well I will ring off.

Yours truly,
W. G. Hingston."

Announcement

When the Clarion became the Courier in November 1905 the subscription price was reduced from \$2.00 to \$1.00 per annum, the rate charged by most local weekly papers in Ontario. Since that time there has been an enormous increase in all printing costs: type has gone up from 25 to 50 per cent in price; printing paper has also advanced, and all the various supplies required by a publisher have shared in the upward tendency. Up till now, the subscription rate to the Courier has remained at the low Eastern rate of \$1.00, which barely pays for the paper and ink. The pressure of increased costs, however, has become too great to resist and in fairness to the publisher the price of the Courier should be made commensurate to the scale of prices paid in the Okanagan for merchandise, namely, at 50 per cent higher than Ontario rates. With this issue, then, the subscription to the Courier will be \$1.50 per annum, payable in advance. This last provision is necessary not on account of the remissness of subscribers so much as to obviate the necessity of keeping several hundred subscription accounts, entailing an amount of book-keeping quite out of proportion to the sums involved.

Since May 8th, it has been necessary to prepay 1c. postage on each paper going to the United States, therefore the subscription rate to that country will be \$2.00 per annum. Owing to the nominal rate of postage to the United Kingdom and British possessions, the rate to addresses within the British Empire will be the same as that within Canada, \$1.50.

Notices will be prepared and sent to all subscribers within the ensuing week, and as the majority of subscriptions fall due on November 1st, a prompt response will be gratefully appreciated by the publisher.

A general advance in job prices has been made by all the papers in the Okanagan, bringing the scale up to that prevailing in the Coast cities. This has become necessary both on account that the former scale was too low to be remunerative, owing to the heavy freight payable on stationery stock, and that printers' hours have lately been shortened by one hour per day, the eight-hour day now being in force in the Okanagan. The Courier has naturally fallen in line with cheerfulness, as job printing here has proved the most profitless class of work done in a newspaper office, that department of the business barely pulling even on expenses. From this date, then, the minimum scale charged by other printing firms in the Okanagan will be in force here. Some lines will not be increased at all, and the general rate of increase will be slight.

In conclusion, the proprietor wishes to express his thanks, at the end of his second year of ownership of the paper, for the liberal patronage extended to the Courier both in advertising and job printing. Few communities can be found so loyal to their home paper as Kelowna, and the proprietor is keenly aware that a return is due in enlargement and improvement. Such considerations as a suitable press, costing from \$1,000 to \$1,500, and a comparatively fire-proof building to house valuable machinery, in view of the high insurance rates now payable, are heavy difficulties to overcome, but it is hoped they will have been met by next spring and the Courier placed in a position to cope with the increase of business and to present an appearance in keeping with the progress of Kelowna.

A Supply of Labour

Victoria, October, 1907.

EDITOR, KELOWNA COURIER, KELOWNA, B.C.

DEAR SIR,—Letters are being constantly received by the Bureau of Provincial Information from persons desiring work on farms and orchards. These applications are from the middle and eastern Provinces of Canada, the British Isles and northern Europe, and may be divided into four classes, namely:—

(1) Young men inexperienced in farm work, wishing to learn practical farm work and horticulture.

(2) Experienced farm hands, unmarried.

(3) Experienced farm hands, married (with families or otherwise) whose wives are willing to take service with their husbands.

(4) Women domestics.

A majority of the applicants is of class 1, but there is a considerable number of class 2. Class 3 is much less numerous, and there are very few applicants in class 4. Most of the married men are desirous of having a dwelling separate from that of the employer, an arrangement which should commend itself to those who look to securing permanent help.

Under an agreement existing between the Government and the Emigration Branch of the Salvation Army a considerable immigration of farm hands and domestic help is expected from Great Britain during the spring and early summer of 1908.

The Government is very desirous of securing the immigration to British Columbia of a reliable class of white labour, and invites the earnest co-operation of the farmers, fruit-growers and dairymen of the Province to that end.

You are therefore requested to call the attention of employers of labour in your district to this letter, and request them to fill in, as comprehensively as possible, the forms enclosed.

Yours truly,

R. G. TATLOW,

Minister of Finance and Agriculture.

City Council

A meeting of the Council was held on Tuesday afternoon, all the members being present. Owing to the unusual hour of meeting, no Courier representative was present, and our report is necessarily condensed, being taken from the minutes.

Mr. F. F. Busted, general superintendent of the C.P.R., wrote to the effect that the Company will buy the property offered by Messrs. Taylor and Lloyd-Jones, provided the offer remains open for a month. This settles the question of removing the station.

Messrs. G. A. Hankey & Co., Ltd., Vernon, wrote that prospects for selling municipal debentures at the present time were very poor, unless the city would be willing to pay 6 per cent. Only on that basis would they endeavour to find a buyer. Some other letters of no particular importance were read and laid on the table.

The mayor stated there seemed very little chance of the city being able to buy the Park, as Miss Lequime had been advised not to dispose of it at the present time.

Ald. Gaddes reported he had had an interview with Messrs. Peters and McLennan, who were desirous of obtaining an electric lighting franchise. For pumping they wanted 10 cents per 1,000 gallons, a high figure. This led to a prolonged and profitless discussion on the electric lighting and waterworks situation, without anything new or of value being evolved.

The following accounts were referred to the Finance Committee and ordered to be paid if found correct: Crawford & Co., stationery, \$1.90; Best Light Co., repairs for street lamps, \$3.95; John Hunford, work, \$10.80; T. Lawson, furniture, etc., for constable's room, \$16.65; Kelowna Saw Mill Co., lumber, \$28.07; Kelowna Carriage works, blacksmithing, \$39.00; Collett Bros., teaming, \$2.50; Detective Agency Co., uniform cap, \$4.50; A. O. Burnett, lighting street lamps, \$29.70; Kelowna Courier, printing and advertising, \$14.45; Cartridge & Stubbs, work, \$1; Meals to prisoners, \$1.40; Special constables, \$16.00; W. C. Blackwood, teaming, \$13.30; election expenses, voting on by-laws, \$8.00; H. H. Millie, telephone rents and installation, \$22.04; D. McMillan, work, \$18.00; Morrison & Co., hardware, \$12.85; D. Leckie, hardware, \$15.50.

Council adjourned till Saturday evening, 26th inst.

LOCAL NEWS

Mr. D. Lloyd-Jones has bought from the Central Okanagan Land & Orchard Co. the property now occupied by Mr. L. C. Aviss as a boat-house.

Mr. F. W. McLaine, of Greenwood, came up from Penticton on Monday's morning boat, returning the same day. He is C.P.R. land agent for a large portion of Yale and Kootenay.

Twenty-six Ross rifles and 10,500 rounds of ammunition arrived yesterday for the Kelowna Civilian Rifle Association, which now boasts a membership of 150, the largest, we believe, in the Okanagan.

Recent sales made by the Central Okanagan Land & Orchard Co. are: 20 acres to Mr. W. A. Jeffries, of Sussex, N.B.; 10 acres to Mr. H. Duboyce, of Quebec; 5 acres to Mr. R. E. McDonald, of Calgary; all on their Mission Valley property.

Mr. J. Cosgrove, advance agent for Pauline Johnson, the Indian poetess, was in town on Saturday making arrangements for an entertainment to be held here on Nov. 12th under the auspices of the Band, who will receive a share of the proceeds.

Chief Hildson was kept busy last week with those that had looked upon the wine not wisely but too well. The offenders were arraigned before Police Magistrate Burns on Tuesday morning, the charge in each case being, "drunk and disorderly." James Adams and Edward McDougall were each fined \$5 and costs or 10 days, and John Buckley, \$7 or 14 days. The fines were paid in all cases.

The young ladies of Kelowna are affording an opportunity for enjoyment, while incidentally contributing to a good cause, by giving a Halloween party in Raymer's Hall next Thursday evening, the 31st. There will be old and new Halloween games, vocal and instrumental music and dancing, and a light lunch will be served. Admission will be only 50c., and the proceeds will be given to the Hospital.

Mr. J. M. D. Thomas F. R. C. O. announces in this issue that he is open to take a few pupils for the organ. This offers an opportunity not often presented for the study of organ music, as Mr. Thomas has studied under the best organists of the day both in England and on the Continent, and at Cambridge he was the special pupil of the late Sir John Stainer Mus. Doc., then professor of music at the university, and under whom he took his degree. Mr. Thomas gives an organ recital in St. Michael and All Angels on Sunday evening next, when by special request he will play a piece of his own composition entitled, "Reverie," in C minor.

Mr. H. McDougall, of Peachland, paid a visit to town on Tuesday between boats.

Six Chinamen left for China on Saturday to spend a holiday on their accumulated savings.

Mr. A. W. Dalgleish left on Friday for Rouleau, Sask., where he will stay for a month or two.

Mr. H. Dunsdon, of Summerland, paid a short visit to town last week, returning home on Saturday.

Mrs. Hyslop, wife of Principal Hyslop of the public school, arrived here on Friday with her children.

Messrs J. S. Reekie and J. Dillworth arrived from the Coast on Monday and will stay some time.

Mrs. J. Reekie, mother of Mr. J. E. Reekie, is a recent arrival from Manitoba, and will spend the winter with her son.

Mr. J. Downton, who had been undergoing medical treatment at the Nursing Home, returned to Summerland on Monday much benefited in health.

The subjects of Rev. H. P. Thorpe's discourses in Raymer's Hall next Sunday will be: Morning: "The True Ideal of Life." Evening: "Christ's Transforming Power." A hearty welcome to all.—Con.

Mr. Peter Dahlberg, lately from Spokane, Wash., is putting up a two storey building on the corner lot which he recently bought from Mr. Axel Eutin, on Water St. and Lawrence Ave. The lower portion will be rented as business premises and the upper will be devoted to rooms to let. The building is 24 by 48 feet and of frame construction.

During the past four weeks local Chinamen have sent home to China \$4,000 by express alone, exclusive of other methods of conveyance. This is only a drop in the bucket compared to the enormous sums of which the province is drained annually in this way. Yet the advocates of Chinese labour minimise this loss as incomparable with the benefits (?) accruing from Oriental workers being available!

The literary committee of the Young People's Christian Union has arranged a debate to take place next Monday evening at 8 p.m., in the Presbyterian Church, on the subject: "Resolved, That the future prosperity of Canada depends more upon the West than the East." The musical part will consist of vocal and instrumental solos and duets by Mr. and Mrs. Thompson and Mrs. McTavish. A cordial invitation is extended to all, especially young people.—Con.

At a meeting of the taxpayers of Mission Creek School District, held on Monday of last week, a curious situation developed. The residents of the K. L. O. Bench portion of the district have consistently opposed the location of the school on the site chosen by a previous meeting, on the ground that it will not serve the Bench district and another school will be necessary at an early date. For this reason the Benchers objected to being taxed twice over and voted down the granting of financial supplies to Mission Creek School District. A deadlock has thus been created, and some kind of compromise will have to be made with the objectors before any progress can be made with the building of the school.
